ACTUAL PATIENT - UNRETOUCHED PHOTOS

“Dr. Gurvits recommended a laser resurfacing treatment for my very sun damaged weathered skin. I am so pleased with my laser treatment. I no longer worry about all of the sun damage and other skin problems I had. I experienced very little discomfort, and continue to see improvement with my skin as time goes by. Dr. Gurvits and his staff were very professional and took excellent care of me.” -Diane B.
